POWERGARD BENEFITS

- Ideal for operators that run equipment beyond regular factory warranty with high usage hours
- Terms, deductibles, and coverage limits tailored to usage needs
- Easy claims process
 - No pre-approval needed for covered repairs
 - Reduced downtime with quick repair processing
 - Repair costs covered directly by the dealership, minus any deductible
- Guaranteed use of genuine OEM parts
- Helps control the total cost of ownership over time with protection from costly post-warranty repair bills
- Transferable coverage to new owners without additional fees or paperwork
- Financing available through JDF, Farm Plan, and others
- Available for cash buyers
- Coverage for catastrophic losses up to the full equipment value
